Anne Karalekas
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Anne:

On behalf of the students in the Intelligence Process Course (IPC) and the Office of Training, I want to thank you for your presentation on 21 October. Your insight into how Congress views and uses foreign intelligence was very well received as attested to by the active discussion following your presentation as well as the many positive student comments in the post-course critiques.
